Christmas Appeal 2024

For the past 14 years, the EV Foundation has embarked on its annual Christmas Appeal.

Since we started our Christmas Appeal, we've helped over 3000 children across Gibraltar.

We also support other charities across Gibraltar so that they can help their clients.

This year, we need your help more than ever.

Through financial donations or via gift vouchers, you have the power to give these families the gift of hope.

Donate today and help put the magic back into Christmas.

HOW YOU CAN HELP

This Christmas, you can make an impact to hundreds of families in need across Gibraltar.
There are three main ways you can do so:

Donate through our website:

Through our website, you can donate a one-off amount or opt to donate monthly to the foundation. On our website, you can also find out more about the EV Foundation: What we do, who we are, where your money goes. Visit our Christmas Appeal page on:

Donate through bank transfer:

Gifting vouchers:

Consider gifting vouchers to the charity. These vouchers empower families to choose the items they need most. We have partnered with Eroski to ensure that for every voucher you purchase for the EV Foundation, Eroski will hand in 5% of the value of all the vouchers to the foundation at the end of the campaign.

Vouchers can be dropped off at the John Mackintosh Hall library with Romina. You can drop off anytime from Monday to Friday between 10am-3pm.
